Carpet

All shell booths will be provided with charcoal carpet.

Walls

The walls of the Frontrunner booths consist of Black 2.4m high Velcro compatible panels.

Power

A 4amp single power point will be supplied to each stand regardless of size.

Fascia Sign

The fascia consists of a black corflute panel insert 220mm high supported in an aluminium frame. The clear height under the fascia is 2100mm.

The company name will be printed in white computer cut vinyl 100mm high, maximum of 25 letters. One company sign will be provided per stand with corner stands to receive two.

Lighting

Spotlights will be track mounted and fitted to the back of the fascia of all stands on a ratio of two 70w enviro spotlights per 9sqm.

Furniture / AV

Harry's can supply all your furniture and audio visual requirements for Adelaide, Melbourne, Sydney, Brisbane and Perth. Please visit us online at www.harrythehirer.com.au to view our complete range.
