GAF Control is issuing a recall on the Heller 2000W Portable Room Heater, Model no: FHH20A

Model affected:

Heller 2000W Fan Heater, model FHH20A, with batch code 0514. These heaters were supplied from April 2014 to November 2014 by Bunnings. The rating label is located at the base of the heater.

Defects:

The heater does not comply with the flammability requirements of the Australian standard. Also, the internal wiring is not routed as approved and loose wires may come into contact with oscillating/moving parts.

Hazard: Risk of fire and burns

What Should I Do?

- Stop using the heater immediately and unplug it from the socket outlet.
- Contact your nearest Bunnings store for a full refund. To locate your nearest Bunnings store, please call (03) 8831 9777 or go to www.bunnings.com.au
