Gliderol makes it easy...

Why would you choose a Sectional Garage Door?

- Four Sectional Door styles to choose from
- Window panels are available to let light into the garage (can only be used with Oxford and Hampton door designs)
- Does not take up any ceiling space when the door is closed

Why would you choose a Roller Garage Door?

- A Roller Door is the most affordable type of garage door
- The door is concealed behind top fascia when it's open
- Quick and easy to install
